

کتاب مرجع آزمون ورودی دوره تکمیلی تخصصی (فلوشیپ) سم شناسی بالینی

Harrison's Principal of Internal Medicine, 19th edition 2015; McGraw Hill Long DL, Fauci AS, Kasper DL,

- PART 7- section 2(some): iron deficiency, hemoglobinopathies, megaloblastic anemia, hemolytic anemia and acute blood loss, aplastic anemia.
- PART 7- section 3: Disorders of homeostasis.
- PART 8- section 1, 2, 3, 4(basic consideration in infectious diseases, community acquired infections, nosocomial infections, and approach for therapy for bacterial diseases)
- PART 9:bioterotism and clinical medicine
- PART 10- disorders of the cardiovascular system. Section 1
- PART 11- disorders of the respiratory system. section 1
- PART 12- critical care medicine . section 1
- PART 13:disorders of the kidney and urinary tract
- PART 14. Disorders of the gastrointestinal system, section 1: (approach to the patients with gastrointestinal diseases, peptic ulcer, acute intestinal obstruction, acute appendicitis and peritonitis.
- PART 14. Disorders of the gastrointestinal system, section 2(liver except biliary tract diseases).
- PART 14. Disorders of the gastrointestinal system, section 3 disorders of the pancreas
- PART 17. Neurologic disorders, section 2(seizure and epilepsy, cerebrovascular diseases, concussion and other head injuries, meningitis, encephalitis, brain abscess and empyema).
- PART 17- section 5:alcoholism and drug dependency

HADAD and Winchester's clinical management of poisoning and drug overdose Saunders Elsevier 2007; shanonmw,Borron S.W, Burns MJ etc

- Part II (specific poisons), section A, chapter 21(venomous snakes)
- Part II (specific poisons), section A, chapter 22(scorpions and sting insects)
- Part II (specific poisons), section B, chapter 27(tricyclic and other cyclic antidepressants)
- Part II (specific poisons), section B, chapter 30(lithium)
- Part II (specific poisons), section B, chapter 31,32(ethanol, methanol and ethylene glycol)
- Part II (specific poisons), section B, chapter 33(opioid)
- Part II (specific poisons), section B, chapter 35,36(benzodiazepine and barbiturates)
- Part II (specific poisons), section B, chapter 38(antipsychotic)
- Part II (specific poisons), section B, chapter 40(anticonvulsants)
- Part II (specific poisons), section C, chapter 47,48(acetaminophen and salicylates)
- Part II (specific poisons), section E, chapter 58,59,60(digitalis, calcium channel antagonists and b-adrenergic antagonists)
- Part II (specific poisons), section G, chapter 71-74(mercury, iron, lead, arsenic and arsine)
- Part II (specific poisons), section H, chapter 76(organophosphates and carbamates)
- Part II (specific poisons), section H, chapter 79(rodenticides)
- Part II (specific poisons), section H, chapter 81(organ chlorines insecticides)
- Part II (specific poisons), section I, chapter 87,88(carbon monoxide poisoning, cyanide and related compounds)

Goldfrank's Toxicology Emergencies, 10th edition. copyright 2015; Mc Graw Hill Hoffman RS, Howland MA, Lewin LA, etc

کتاب مرجع آزمون ورودی دوره تکمیلی تخصصی (فلوشیپ) سم شناسی بالینی

- Chapter 3 initial evaluation of the patient: vital signs and toxic syndromes, pages: 26-29
- Chapter 4 principles of managing the poisoned or overdose patient, pages: 30-37
- Chapter 5 diagnostic imaging, pages: 38-61
- Chapter 6 laboratory principles, pages: 62-75
- Chapter 8 techniques used to prevent gastrointestinal absorption, pages: 83-96
- Chapter 9 pharmacokinetic and toxicokinetic principles, pages: 110-123
- Chapter 10 principles and techniques applied to enhance elimination, pages: 124-134
- Chapter 11 use of the intensive care unit, pages: 165-143

Katzung

- Part I, chapter 1 introduction, pages: 1-9
- Part I, chapter 2 pharmacodynamics, pages: 10-19
- Part I, chapter 3 pharmacokinetics, pages: 20-30
- Part I, chapter 4 drug metabolism, pages: 31-36
- Part I, chapter 5 drug evaluation and regulation, pages: 37-42
- Part II, chapter 1 introduction to autonomic pharmacology, pages: 43-56
- Part II, chapter 2 cholinergic- activating and cholinesterase inhibiting drug, pages: 57-65
- Part II, chapter 3 cholinergic blockers and cholinesterase regenerators, pages: 66-74
- Part II, chapter 4 sympathomimetics, pages: 75-84
- Part II, chapter 5 adrenergic blockers, pages: 85-94
-
